Notice: Data on professors, visiting professors, assistant professors and certified librarians are not provided in the table as it could lead to revealing individual compensations. For that reason, some information on compensations was omitted. It refers to cases when fewer than three persons hold a given position at a faculty. The table includes fixed parts of compensation: base salary, seniority bonus and duty allowance. Please note that the Law on Higher Education and Science as of 20 July 2018 introduced changes to positions among the group of academics, therefore the data included in this table cannot be compared with data for 2018.
